Short Intro to Phil. 2:19-30

Acts 16 tells us the record of Paul's second missionary journey and the beginning of the church at Philippi. Later, hearing that Paul was a prisoner in Rome, they sent a special offering to him by way of Epaphroditus. Paul is writing at this point to explain why Epaphroditus was delayed in returning to Philippi and to promise a visit from Timothy.

- 1) How do Timothy and Epaphroditus illustrate 2:1-4?
- 2) Consider verses 20-22 and verse 30.
 - a. How true is verse 21 today?
 - b. How rare are people like Timothy and Epaphroditus?
 - c. Can you think of a person, either historic or contemporary, who resembles them?
- 3) How do we genuinely honor those who exhibit this type of humble servanthood, without embarrassing or flattering them?
