

International Missions

The Foodo are our adopted people group in the Benin, West Africa. They are Muslim and highly resistant to the gospel. Since 2013 we have been praying for their salvation and sending mission teams. God is at work! Foodo are coming to Christ! (See ministry timeline below)

Lana was paralyzed due to a stroke. After being prayed for many times by Samuel, our church planter, the Lord healed her. She became the first Foodo Believer! She is now an active part of the Ministry.

Church planter Guy is actively engaging the Foodo for Christ.
