

MEMORIAL POLICY

Monetary donations made to memorialize someone will be placed in the Bath Presbyterian Church Memorial Fund.

Spending of these funds must be approved by Session.

The Financial Secretary: will send a card expressing gratitude to donors that aren't congregants, will contact the family of the deceased, if possible, and give a list of names of donors (not amounts), and report to the Clerk when a new person is memorialized each year.

In the Annual Report, the Clerk will list names of those memorialized that year and also a list of expenses from the fund.

SPECIAL GIFTS POLICY

The Session shall decide whether to accept or reject donations that are meant to stay in the church, be they specific items or money. Once accepted, donations become the property of the church to use, donate, or dispose of as Session deems appropriate. Donated gifts that are coming in and going out will need Session approval.

Approved by Session on July 21st, 2024.
