My Friends,

Tradition speaks of April showers and how they will bring May flowers. Of course, in the midst of this is the passionate search for the magic of the morel. In either case they are a part of our Lord's loving garden come the season of spring. A visible and palpable treat for our senses which awakens in so many ways. For me personally, I have enjoyed the coming of the morel to the blue-bell flower of the forest. Such beauty rolling through the meadows to the ridge of the forest.

As I was remembering this in my heart, I came across a sister of the faith from years ago. She was a Carmelite Nun from the 19th century. Known by some as 'The Little Flower' she is also known as 'Saint Therese of Lisieux.' Within the classic book Story of a Soul, she wrote:

"I understand that every flower created by Him is beautiful, that the brilliance of the rose and the whiteness of the lily do not lessen the perfume of the violet...if only the lowly flowers wished to be roses, nature would lose its springtime beauty, and the fields would no longer be enameled with lovely hues. And so it is with the world of souls. Our Lord's living garden. He has been pleased to create great saints who may be compared to the lily and the rose, but He has also created lesser ones, who must be content to be daisies or simple violets flowering at His feet."

So today, tomorrow, this week, and in all places in all of time embrace the beauty of the variety nature gives. Not only the variety we see in the meadows and forests, but in our cities, towns, villages and neighborhoods. The God of creation has placed us in the midst of an awesome and remarkable place. His living garden bursting with wonder and color and beauty.

Take that next step my brothers and sisters. Look over there. A field of bluebell flowers, and over there is a bed of roses! And again, I see the beauty of the dandelions in my yard. Yes, the dandelion is beautiful no matter what some might say. Open your heart and eyes and souls. Our Lord has indeed given us a beautiful garden.

Shalom
Ken

1 JOHN 3:18

Music Ministry

In April, Pastor Ken's sermon talked about believing even though we cannot see. That's what the disciples did when they heard of the resurrection. It is what we are called to do as well. Pastor Ken told a funny story of a boy complaining that all he hears about is "Jesus and germs, Jesus and germs" - yet he can't see either of them! To go along with that message, here is a funny children's song written by Dan Lee-Archer and David Wakerley.

I Cannot See Him with My Eyeballs

Verse 1:

We trust things every day, in every single way
 Whether sitting in a chair or in a taxi
 We hope the chair won't break and the taxi driver stays awake
 And that pimple cream will get rid of my acne

Pre-Chorus:

'Cause if I can trust in all these things
 Then here's something profound
 I put my faith much more in God
 Who has never let me down

Chorus:

I've got faith in the God of the Bible
 I'm trusting what He says is reliable
 There's confidence deep below
 A conviction even though
 I cannot see Him with my eyeballs

Verse 2:

I don't find it hard to trust, that when I board a bus
 It will take me to my desired destination
 It won't take me to my Aunt's, or to the south of France
 I really don't have time for a vacation
 ©2019 Hillsong Music Publishing, CCLI #7130266

I loved the "eyeballs" wording. I have known many children who say that rather than their "eyes" and it always makes me laugh. I hope you enjoyed it too!

Wow. What a wonderful Easter breakfast we had! Thanks to all who donated, setup, prepared, served, and cleaned to make this such a wonderful morning! It was wonderful to have so many youth involved in the bustling kitchen!

For where two or three are gathered in my name, there am I in the midst of them.

SUMC Garden

The SUMC Vegetable garden has been a huge producer in years past! All of the produce we grow is then donated to the Solon Food Pantry or to Solon Senior Citizens.

If you would like to help with the garden or have items to donate, please contact Karen at the phone number or email below. We are always looking for more volunteers to help out.!

In late June thru September, we will need help picking the produce to give to the Food Pantry. Help is always welcome anytime whether you want to help one time or weekly.

If anyone is interested in helping with the vegetable garden or has questions, please contact Karen McGill at kmcgill787@gmail.com or 319-329-4578.

April Showers at SUMC!

Every April we try to 'shower' the church with a little love in donations for items that we use here daily. This year you all showed up in great bounds, thank you! So much more was donated than what is shown in this picture. From stamps, multiple packs of toilet paper and canisters of coffee to plates and cups for fellowship.

Every donation, no matter how small, makes a difference. THANK YOU for supporting SUMC and making it rain this April!

A BIG
thank
you

Thank you to the **Richards Family** for your selfless service in organizing, shopping for, cooking and serving Wednesday Night Meals.

You are a wonderful example for all and we appreciate you!

We want to also thank the many other volunteers that jumped in each week to make Family Meal a success. Teamwork makes the dream work!

Graduation Sunday

SUMC will hold our Annual Graduation Sunday, including our Senior Slide Show, on Sunday May 21st at the 9:30 AM Worship Service.

Please plan to come and encourage our graduating seniors as they celebrate their accomplishments and look toward the next chapter in their lives.

The Trustees are foregoing the traditional Spring Clean Up Day and instead challenging church goers to help spruce up the church grounds on their own! We have already had a number of Trustees and members step up to take care of some projects but there are few left and they are noted below. Any of these tasks may be completed on your schedule, at your own pace. If you have questions you may contact the church or Trustee Chair, Paul Miller. Thank you for supporting SUMC!

- Plant flowers on west side of the FH
- Rake up/pick up branches on the FLC open lot west of the church facility
- Dust the pews of the sanctuary

Some comments were received in the recently completed Congregational Assessment Tool survey about the lack of financial information available to church members. The following is a summarized report on the 2023 budget performance of the General Fund, the primary fund of the church that pays all of the expense of our programs and facilities.

General Fund Financial Performance:

| | <u>January – March</u> | |
|-------------------|------------------------|-----------------|
| | <u>Actual</u> | <u>Budget</u> |
| Giving | 49,582 | 48,565 |
| Other | <u>2,209</u> | <u>855</u> |
| Total Income | 51,791 | 49,420 |
| Expense | <u>58,801</u> | <u>65,259</u> |
| Net Result | (7,010) | (15,839) |

This Finance Performance Table will be updated and posted in all future Circuit Riders to help ensure that the congregation is made fully aware of the church's financial state.

United Women in Faith—April Work Day

On Tuesday, April 11 members of the United Women in Faith met to create heart pillows. These pillows create comfort for those suffering from that disease. 185 pillows were created. We were able to distribute 50 pillows to Mercy Hospital Iowa City and 100 pillow to Hall-Perrine Cancer Center (Mercy Cedar Rapids).

We will be having another work day soon to create an additional 50 so that we can deliver 100 to Gilda's Club Quad Cities at Genesis Family Medical Center. Perhaps you will be able to join in the fun and fellowship? All are welcome!

Future date and time will be communicated in the church bulletin. Any questions or concerns please contact Connie Railsback, 319-430-9057.

Thanks to those who were able to participate: Verlee Lauderbaugh, Shirley Anderson, Ruth Spieker, Connie Koeppen, Jeanne Erhart, Yvonne Strang, Jan Stock, Nadine Sojka and Connie Railsback (not pictured).

HOUSES INTO HOMES

Together we make it home

On Wednesday, April 5, at the United Women in Faith monthly meeting, a guest speaker was on the agenda. That guest speaker was from Houses into Homes in Coralville. Lucy Barker shared with us how the organization sets up homes for those in need.

Houses into Homes provides gently-used beds, furniture, and household items for families and individuals in Johnson County who are exiting homelessness, domestic violence, and other crisis situations.

Houses into Homes mission is to help people feel the comfort of home and to do so in a way that honors their experience and engages them with unconditional positive regard. Houses into Homes is the only organization of its kind in Johnson County. We also proudly offer volunteers, recipients, donors, and staff a unique opportunity to meet and impact those with whom they share our community.

We were introduced to Fletcher, the Bed Bug Catcher. YES! They really have a dog that will sniff out mold and bed bugs. Way to go Fletcher!

The ladies attending the meeting brought items to share with Houses into Homes. As always, they were very generous. United Women in Faith presented a check to Houses to Homes for \$50.

Together We CAN Make a Difference!

Register today for **NAMI Walks Your Way Johnson & Linn Counties 2023**, which promises to be our most meaningful event ever. **Registration is simple and free!**

The last couple of years have been challenging for all of us, but if there has been a silver lining, it is that everyone is talking about mental health.

Our employers, schools, politicians, neighbors, actors, athletes, family and friends are talking about their experiences with mental health conditions and the importance of seeking help. **We are coming Together for Mental Health!**

In that vein, **we are planning to have an in-person event this year**. We want to come together with our NAMI Johnson and Linn communities and **celebrate** the progress we've made toward our mission of improving the lives of people affected by mental health conditions.
