Holy God, a new year is here and You are with us. In loving and in carrying, in hoping and expecting, You are with us and will never let us go. Keep us faithful through the days that lie ahead, keep us caring in the pain that fills your world, keep us serving as we seek to do your will, keep us loving toward neighbors near and far, keep us trusting through the uncertainties of life, keep us sharing from your generous abundance. We

offer these gifts as a sign of our pledge to live for You as you live in us. Amen.

PASTOR'S CORNER

Did You Know?

- A \$1 dollar bill lasts about 18 months in circulation.
- A pen can draw a straight line for about 1 mile

• An average person living 70 years spends:

- 23 years sleeping, 16 years working, 8 years watching TV, 6 years eating, 4 years being sick, and 2 years getting dressed.

Those are interesting bits of information, right? But...

- Think of how many lives that \$1 dollar bill impacts with in 18 months. How many lives could you impact with in 18 months?
- A pencil can draw a straight line for 30 miles. They have the same purpose, just different results. How much more could we do by living into the purpose God has for us?
- That average 70 year old only spends 1/2 a year of that life focused on their religion. Jesus gave His whole life for us, what do we give back?
Opportunities to do good, do no harm and love God are all around. We just need to look.
