Greetings from Pastor Adam.

While Stacy and I have been with you for only 10 months, in many ways it seems like we have been a part of the Waggoners Church family for much longer. We appreciate the warm welcome we have received and commitment you have to living for Christ. As the months and years pass, we will face many joys and challenges together. Whether we experience tears or laughter they are not to be felt alone. God has called us together as a community of his followers to love and support one another. I would like to share one of my favorite verses with you. It is a reminder that no matter what we face in this world, Christ has secured our place with the Father for all of eternity: *For to me to live is Christ, and to die is gain.* (Philippians 1:21 KJV)

In Christ,
Pastor Adam

CC Adult Reentry Program

The mission of the Cumberland County Adult Reentry Program (CCARP) is to provide human and social services relating to an offender's basic needs and address barriers to their successful reentry in the community.

Many offenders entering the community struggle with substance abuse, lack of adequate education and job skills, limited housing options, as well as mental health issues. By assessing individual offenders, CCARP aims to establish their specific needs and link them to community resources and services to assist in meeting their identified needs.
